Summary

Physics graduate with a strong passion for web development, adept at Python scripting and experienced in React and Next.js. Quick learner with a robust work ethic, eager to contribute to a dynamic team environment. Skilled multitasker with superior problem-solving and organizational skills. Dedicated and reliable team player with a hardworking and resourceful approach. Seeking to leverage expertise in full stack development, particularly in React and Next.js, and commitment to excellence in a challenging role. Proficient in creating engaging and dynamic user interfaces with React and Next.js, enhancing application functionality and scalability.

Skills

Programming Language: Python, JavaScript

Frameworks/Library: React, Next.JS, Django, Tailwind

Database: MySQL, MongoDB

Web Development: HTML5, CSS3

Version Control: GitHub

Projects

Orbit

Developed a modern, responsive web application using Next.js, Tailwind CSS, and Ant Design. The project aimed to create an Trading platform.

- Ensured the application was fully responsive and accessible across various devices and screen sizes using Tailwind's responsive utilities.
- Leveraged Ant Design's component library to build sophisticated UI elements, such as forms, tables, and modals, ensuring a professional and polished look.
- Integrated state management solutions to efficiently manage the application's state and data flow.
- Connected the frontend with backend services via RESTful APIs, enabling dynamic content fetching and real-time updates.

Task Management System

Built a robust task management system leveraging Django, featuring user registration, login, and task management capabilities.

- Developed a task management system with user registration, login, and task management functionalities using Django.
- Architected and implemented Django's built-in authentication system for optimized user registration and authentication processes, enhancing user experience and data security.
- Utilized Django ORM for database interactions to ensure data integrity and security.

Education

Einstein College Of Arts and Sciences — Tirunelveli

Bachelor Of Science in Physics | CGPA: **7.3** / 10 — 06/2019 - 05/2022

Adarsh Vidyalaya Matric. Hr. Sec. School — Tenkasi

Higher Secondary Certificate | Percentage: **67** / 100 — 06/2017 - 04/2019
